

ONE MORE NIGHT - Bob Dylan *Nashville Skyline*

C **C**
One more night the stars are in sight
C **F** **C -**
But tonight I'm as lonesome as can be~
F **C** **F** **G7**
Oh the moon is shining bright, lighting ev-erything- in sight~
C **F** **C** **C**
but tonight no~ light will shine on me
C **C**
Oh it's shameful and it's sad I lost the only pal I had
C **F** **C**
I could not be what she wanted me to be
F **C** **F** **G7**
I will turn my head up high, to that dark and rollin' sky~
C **F** **C** **C**
but tonight no~ light will shine on me
G7 **F** **C** **G**
I was so mistaken when I- thought that she'd be true
C **Em** **/ F** **Dm /** **G7** **G7**
I had no i-dea what a woman-in love would do

C **C**
One more night I will wait for~ the light
C **F** **C**
While the wind blows ^high above~ the trees~
F **C** **F** **G**
Oh I miss my woman so I didn't mean- to see her go~
C **F** **C** **C**
but tonight no~ light will shine on me
